**Re: Retraction to the February 28, 2017 Submission on Caribou Calving Ground Protection**

I am writing to inform you of the KRWB decision to retract their submission on the protection of caribou calving grounds.

In our May 3rd, 2017 conference call, the KRWB passed **Motion # 05-2017-003** to retract the February 28, 2017 submission on the protection of caribou calving grounds.

We are acknowledging that the submission does not conform to our motion. We also would like to inform that the submission does not reflect the views of the KRWB nor is it endorsed. We hereby request the withdrawal of the submission from your website or any other public record you may have posted it to.

We apologize that we did not send this letter sooner. In the meantime, we will be working on a submission that clearly reflects the KRWB's views. If the NPC has any questions or concerns, please, by all means let us know and we will be happy to answer them.

Yours truly,

Joe Ashevak
Chairperson
