As of January 25, 2019 the NPC has received responses from the following participants:

1. Nunavut Tunngavik Inc
2. Qikiqtani Inuit Association
3. Government of Canada
4. Government of Nunavut
5. Beverly and Qamanirjuaq Caribou Management Board

In addition, on January 15, 2019, the Qikiqtaaluk Wildlife Board (QWB) notified the Commission that it has not released digital shapefiles associated with its November 2018 submissions due to a lack of data sharing protocols, and because of this NTI and QIA have requested that the Commission extend the opportunity to respond to the November 2018 submissions. **The Commissioners will, when they meet March 14-18, 2019, consider whether to accept late submissions.**
