Importance: High

Good afternoon Derek;

Thank you providing the NPC an opportunity to review and comment on BIMC's request for an amendment to NIRB's PC #5 for the Mary River Project. We are currently reviewing the NIRB PC #5, the Draft Environmental Impact Statement and the Final Environmental Impact Statement associated with the BIMC Mary River Project, and will provide you and the proponent of our decision on whether a conformity determination is required in the near future.

If you or the proponent has any questions or require further clarification, please do not hesitate to contact me.

Thank You

Brian Aglukark, NPC
