**Subject:** RE: Notice of Public Hearing on NBRLUP Amendment and Draft Agenda for Comment

Hello Goump, Jonathan,

Thank you for the opportunity to provide feedback on the public hearing agenda for the NBRLUP Amendment 3. Our suggestions are to combine certain agenda items for the sake of time, as well as to ensure the hearing remains focused on the subject application. A few minor recommendations for the Commission's consideration are as follows:

- For agenda item 3, NPC Executive Director Summary, it would be helpful if NPC provides an overview of the overall project approval process;
- Consider combining agenda items 7 and 5. Both seem to require introductory statements by participants;
- Consider making agenda item 10 a component of agenda items 8 and 9. BIM's proposed amended text for the NBRLUP Appendix Q should remain a primary focus throughout the public hearing; and
- Consider prefacing agenda items 8 and 9 with relevant excerpts in the NBRLUP. For example these discussions may benefit from specific reference to NBRLUP Appendix K (3<sup>rd</sup> bullet) and Appendix Q (bullets 5-8), as well as the NPC staff recommendations (c. ii and iii) in the Amendment 3 Executive Director Report.

Finally I can confirm that the Government of Nunavut will be sending representatives to the upcoming hearing.

Cheers,

Amy Robinson

A/Manager, Land Use and Env. Assessment
