Dear Mr. Saviadjuk

**Re:    Draft Nunavut Land Use Plan Meeting Request**

The Nunavut Planning Commission was established under the Nunavut Land Claims Agreement (NLCA) to develop and implement land use plans that guide and direct resource use and development in the Nunavut Settlement Area. As stated in Article 40 of the NLCA, the Commission must allow full standing to Makivik in performing its functions in relation to these islands and marine areas as described in Schedule 40-1 of the NLCA. Since 2007, the Commission has been developing a Draft Nunavut Land Use Plan, and was made public September 7, 2012.

The Commission will be visiting all 25 Nunavut municipalities over the next two years to discuss the Draft Nunavut Land Use Plan. We will be in your community on May 6-7, 2013 and in addition to the public workshops and information sessions we will be hosting, the Commission would greatly appreciate the opportunity to meet with your Village Council during our visit. We are interested to know if you will be available for an audience at 9:30 AM on May 6, 2013 in Council chambers. During the meeting, we will provide the Council with an overview of the Draft Plan, discuss any questions in this regard, and listen to your feedback.

We hope that the members of your Council will be able to meet with us to discuss how the Draft Nunavut Land Use Plan should guide and direct future land and resource use and development in Nunavut. As the Commission's Chairperson, I will be attending the meeting, along with the Commission

Executive Director, Sharon Ehaloak, and Commission staff who will be present to discuss the plan and record feedback.

If you are available to meet with us, we will also invite the local Hunters and Trappers Organization.

We look forward to hearing from you regarding your availability to meet with us at 9:30 AM on May 6, 2013. If you have any questions or need additional information, the Commission's Executive Director, Sharon Ehaloak, can be contacted at 867-983-4625 or [sehaloak@nunavut.ca](mailto:sehaloak@nunavut.ca).

Respectfully,
