Dear Mrs Sharon Ehloak,

ᑭᑭᑭᑭᑭᑭᑭᑭ  
Hall Beach

The Qikiqtani Inuit Association has received the Nunavut's Planning Commissions' invitation dated June 20, 2013 to attend the "Filling Gaps in the Draft Nunavut Land Use Plan" workshop in Cambridge Bay, NU from September 17-19<sup>th</sup>, 2013. I would like to confirm that Rosanne D'Orazio, Environmental & Regulatory Affairs Advisor will be attending the workshop on behalf of the QIA.

QIA would like to suggest one additional agenda item for the workshop. It would be of interest to QIA to incorporate into the agenda a summary of community comments and feedback from the two rounds of consultations held to date in the Qikiqtani region and Nunavik. In order to facilitate a discussion during the workshop, QIA recommends that NPC provide details prior to the workshop, on how this information will be incorporated in the draft Nunavut Land Use Plan.
