The NPC also issued a direction on procedure to vary its *Rules of Procedure for Public Hearings and Public Reviews* to recognize Hunters and Trappers Organizations (HTOs) as 'parties' entitled to participate without requiring a grant of standing. Those HTOs who notified the NPC of an intention to participate or who sought standing have been recognized as full participants.

The NPC is holding a meeting for participants' technical experts (Technical Meeting) on June 23 to June 26 2015, at the Cadet Hall in Iqaluit, and a Pre-Hearing Conference will be held July 14 to 16, 2015. Although the deadline for interested persons to seek standing before the Technical Meeting and Pre-Hearing Conference has now passed, anyone who is a party under the *Rules of Procedure for Public Hearings and Public Reviews* may still notify the NPC of an intention to participate, and interested persons will be notified of another opportunity to apply for standing as participants prior to the Public Hearing.

The NPC will issue further public notices on additional procedural steps and timelines that will take place prior to the Public Hearing, including dates for the filing of documents, written submissions and responses, arguments, and the final date, time and location of the Public Hearing.
