Mr. Percy Kabloona, A/Chair
Nunavut Planning Commission
PO Box 2101
Cambridge Bay, NU X0B 0C0

Dear Mr. Kabloona;

The Government of Nunavut is pleased to provide the enclosed review of the draft Nunavut Land Use Plan and Options & Recommendations document to the Nunavut Planning Commission. Included in this submission are additional spatial data as well as recommended management approaches for areas identified in previously provided data.

I would like to thank the Commission for its work to date. The GN is committed to collaborating with the NPC on the Nunavut Land Use Plan and looks forward to reviewing the revised draft Plan. Should you have any outstanding concerns with the content included here, please don't hesitate to contact me.

Sincerely,

Hon. Johnny Mike
Minister
