RE: Summary Reports for 2019-2020 Kivalliq and Kitikmeot Community Meetings on the 2016 Draft Nunavut Land Use Plan

The Nunavut Planning Commission (NPC) visited the communities of the Kitikmeot in November 2019, and the communities of the Kivalliq in February 2020 to discuss the 2016 Draft Nunavut Land Use Plan. We thank you for your hospitality and willingness to contribute to this important process.

A summary report, including both text and graphics, was prepared for each of the 12 communities visited. These reports have been uploaded to the public registry, at the website below, and are also attached to the email.

Please review the report for your community in particular and let us know by February 28, 2020 if you have any comments regarding the content of the report at submissions@nunavut.ca.

These summary reports and any comments on them will be considered by Commissioners when revising the 2016 DNLUP along with all other feedback that has been received. The Commission has requested supplementary funding to return to your community to discuss the revised draft plan, but we are not able to confirm at this time when that may occur.

My staff and I would be pleased to discuss any comments or questions you may have. Please contact me at (867) 979-3444.

Sincerely,

Sharon Ehloak
Executive Director
Nunavut Planning Commission
