

## NUNAVUT PLANNING COMMISSION NOTICE OF EXTENSION FOR WRITTEN COMMENTS ON 2021 DRAFT NUNAVUT LAND USE PLAN

**Date:** September 15, 2021

On August 30, 2021, the Nunavut Planning Commission (Commission) notified parties of the extension of the Kivalliq Regional Public Hearings in respect of the 2021 Draft Nunavut Land Use Plan (DNLUP)<sup>1</sup>. As you will see from the Notice of Hearing, the Commission has provided direction on how parties who wish to participate in the upcoming Public Hearings can do so, and has established different deadlines for filing written comments, presentations, and questions to the Commission on the 2021 DNLUP.

In view of the fast-approaching Public Hearing dates and recognizing the desire for all parties to have adequate notice and time to prepare for the upcoming proceedings, **the Commission hereby notifies all participants that the requested date of written comments on the 2021 DNLUP is extended to October 8, 2021**. Parties are reminded to direct all enquiries including forthcoming submissions directly to the Commission at: [submissions@nunavut.ca](mailto:submissions@nunavut.ca).

The commission is also reminding interested parties that they can register as participants to the upcoming public hearings by completing Form 1 of the Commission's *Rules for Public Proceedings*, by September 30th.

In addition, please note that a corrected English version of the DNLUP is available on the NPC's Public Registry that addresses issues with references to site numbering on Map A, and Inuktitut and French versions will be posted shortly.

Should you have any questions regarding the previously circulated Notice of Hearing including the Commission's Rules of Procedure and the upcoming deadlines associated with the ongoing revisions of the 2021 DNLUP, please do not hesitate to contact the NPC at 867-983-4625 or via email at [samuno@nunavut.ca](mailto:samuno@nunavut.ca).
