Re: Amendment to "North Arrow Comments on the 2021 Draft Nunavut Land Use Plan (2021 DNLUP)"

Dear Mr. Savoy,

We wish to provide the following additional comment and clarification to North Arrow's above noted submission to the NPC regarding the 2021 draft NLUP, dated October 8, 2021.

It remains our view that all mineral rights recorded with the Nunavut Mining Recorder or documented in an agreement with NTI at the time the Nunavut Land Use Plan (NLUP) is implemented, be recognized as Existing Rights under the NLUP. For certainty, we wish to specifically highlight and confirm the following mineral tenures currently held by North Arrow that are not included in Appendix A of the 2021 draft NLUP plan but should be included in Appendix A of the NLUP at the time it is implemented:
