Dear Oliver Curran,

Re: DFO File NU-07-0050 NIRB File 08MN053 Baffinland Iron Mine Early Revenue Phase (ERP) Curran Jun 13 CR

The above-noted proposal has been forwarded to the Nunavut Planning Commission (NPC) for determination of its conformity with the North Baffin Regional Land Use Plan (NBRLUP) under the Nunavut Land Claims Agreement and Nunavut Land Claims Agreement Act, S.C. 1993, c. 29. NPC is currently reviewing the proposal and in order to complete its review NPC requires that you undertake to comply with certain terms of the NBRLUP.

All project proposals within the region in question are required to comply with the terms of the NBRLUP. I am attaching the conformity requirements relevant to your project and with which it must comply. Also attached, is a copy of the Code of Good Conduct, as well as specific sections of the NBRLUP related to transportation and/or communication corridors. These documents form part of the Plan.
