Dear Mr. Aglukark:

**Re: Mary River Project – Early Revenue Phase**

Further to my previous letter today on this matter, I wish to make a correction to the Revised Application to Determine Conformity.

The attached Revised Application to Determine Conformity should replace the one in my previous letter. We have noted on the attached Revised Application at the top that the reference is to "Madsen, August 8, 2013 Que" rather than "Curran, June 13 Que". We have also corrected a change to Question #21, which indicates our response, but confirms that an Application has been filed based on the NPC request of August 6, 2013.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Madsen", with a stylized flourish at the end.
