Importance: High

Hi Oliver,

Confirming receipt of the completed questionnaire.

As we noted to your legal counsel previous by email on January 23, 2014 to Christine Kowbel, it is the NPC that decides which questions are applicable to the type of activity being proposed. The questionnaire form sent to you on January 30, 2015 will form the basis of our review regardless of additional comments you may have provided.

We will contact you if we have any further questions as we process the conformity review of the "BIMC Amendment Mary River Project Phase 2 NWB 2AM MRY1325 DFO 07-HCAA-CA7-0050 Curran Jan15 CR"

Mutna,

Brian Aglukark

Hi Brian,

In addition to the Application to Determine Conformity with the NBRLUP submitted to you on October 29th, 2014, we are submitting at your request, a second Application to Determine Conformity with the

150204-08MN053-NPC Eml BIMC Re Conformity Application-IA1E  
NBRLUP (please see attached). We note that you omitted Question #21 in your latest request, so we have reconfirmed our response to that question as submitted on October 29th, 2014 on the attached questionnaire.

For your convenience we are also re-attaching previously submitted and or publically available information at your request.

Regards,  
Oliver
