Dear: President of Nunavut Planning Commission and Members

I am writing to you today to request clarification from the Nunavut Planning Commissions decision on the Mary River Project Phase 2. The Nunavut Planning Commission's decision was a surprise to Hamlet council and some community members. I would like to clarification on the decision, and how the decision came to the conclusion. There was a bit of a surprise when there was no discussion on this matter with the community members. The Hamlet council would like clarification on the matter, and how Planning Commission's decision and the views of some community members and outside Organization

I would appreciate your quick and timely respond in this matter, providing clarification to outside organization that this response was provided and is the response from the Planning Commission and not the Hamlet council of Pond Inlet

Sincerely

Charlie Inuarak  
Mayor, Hamlet of Pond Inlet
