Re: Mary River's Phase 2 Proposed Plan Amendment

Hamlet Council have some issues with Baffinland's plan to have a rail road for trains 110 km from Mary River to Milne Inlet.

This proposed plan rail road is a major concern for Hamlet Council and local people of Pond Inlet, and Inuit wants to be heard if there will be a public hearing on this and also shipping of equipment's to Milne Inlet by ship during winter is a concern, they think it will have an impact on the seal's breeding season.

Hamlet Council have a concern if Phase 2 will go on. There are already some concerns for Phase 1; it impacted our environment and sea. Also, the Inuit employees are decreasing, the community have to be well respected, since there are concerns that are showing up.

Sincerely,

Joshua Katsak
Mayor
Hamlet of Pond Inlet
