Dear Mr. Akeeagok,

Re: Data Sharing Agreement

Thank you for your correspondence of October 13, 2011 regarding a data sharing agreement requirement of the Government of Nunavut.

As the Commission indicated in its correspondence to Premier Aariak April 21, 2011 and Minister Shewchuk October 25, 2011 the agreement as proposed would diminish and impair the Commission's discrete planning policy and land use planning functions established under the Nunavut Land Claims Agreement.

The Commission will no longer be pursuing this matter. If, at some time in the future the Government of Nunavut is able to provide data in a format that supports the Commission's mandate established under the Nunavut Land Claims Agreement please let me know.

Respectfully ,

Sharon Ehloak
Executive Director
