Re: Waste Management for Nordgold's Camp

The Hamlet of Whale Cove will continue our arrangement with Nordgold to utilize our community waste site for the 2020 season.

You are required to keep a record of all truckloads of waste taken to the dump. Nordgold will be charged a tipping fee of \$50.00 per trip as prescribed under our Bylaw #214.

No barrels, batteries or oil products are to be included.

No other changes to the procedures followed last year are necessary at this time.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Darren Flynn', followed by a horizontal line.
