Subject: RE: Clarification on NPC #149739 (The Muskox Nickel Property)

Good morning Tara,

After reviewing your document titled "SPC Muskox Nickel Project Non-Technical Summary" and cross-referencing against the Territorial land Use Regulations section 8 & 9, I have come to the determination that your project does not cross thresholds that require a permit for the use of Crown Land.

If you require further information from our office please feel free to contact me with the information below or by responding to this email.

Kind regards,

Jeremy Fraser
