

Non-Technical Summary for the Dewar Lakes Camp

The Dewar Lakes Camp has been used as a base location to conduct mineral exploration work on Baffin Island since 2003. Camp activities were most recently conducted under the authorization of Crown Indigenous Relations and Northern Affairs Canada (CIRNAC) Land Use Permit N2017J0014 (Expires July 4, 2022) and Nunavut Water Board (NWB) Water Licence 2BE-NAD1722 (Expires July 17, 2022) both issued to Commander Resources Ltd. (Commander). Commander is requesting to renew Land Use Permit N2017J0014 for an additional 2 years and Water Licence 2BE-NAD1722 for an additional 5 years to support work activities at the existing Dewar Lakes Camp.

The Camp is located on Crown Land beside Dewar Lakes, adjacent to the North Warning System Fox-3 airstrip in the Qikiqtani Region of Nunavut. The approximate location of the Camp is 68°37'59" N and 71°6'38" W (or 414199E/7614919N UTM Nad83 Zone 19) and is located within the 1:50,000 National Topographic System (NTS) map sheet 27B12.

The Camp consists of accommodations for up to 40 persons with a dry, large cook tent, generator shack, tool shed, incinerator, core shack, latrine with pacto toilets and a metal silo structure used for storage. At the end of the 2018 program, the Dewar Lakes Camp fuel cache contained 6 drums of jet fuel and 5 propane cylinders. 50 empty drums remain on site for removal during the next field program.

The Camp was used by Commander as an operating base to support exploration activities from 2003 to 2011. The Camp was unoccupied from 2012 to 2016, other than in 2013 when Biogenie personnel, on behalf of Commander, were onsite to clean up and secure the Camp after an episode of vandalism damaged structures. The Camp was utilized by ValOre Metals Corp. (ValOre, formerly Kivalliq Energy Corp.) in 2017 and 2018 to support mineral exploration activities at their Baffin Gold Project.

Exploration activities supported by the Dewar lakes camp are authorized under separate permits and licenses held by Commander or an assignee (currently ValOre). It is anticipated that the Dewar Lakes Camp will support ongoing exploration activities for the next several years.
